One year No. 2 vines 70 per cent. of rate of one year No. 1. Two years No. 1½ vines, half-way between the prices of two years No. 1 and one year No. 1. Three years No. 1, one-half additional to price of two years. We reserve the right, unless otherwise directed, to fill orders for one year stock with two years stock of the same size. Also orders for two years stock with one year stock of size ordered.

We grow all our grape vines entirely out of doors from cuttings about 7½ to 12 inches long. Many years of experience have demonstrated to us that Grape Vines grown from short cuttings or partly grown in green-house are not as valuable for vineyard or garden as from long cuttings all grown in open air.

JOSSELYN GOOSEBERRY.

A Magnificent Success. It Has No Rival.

Best grower, best foliage and most profitable fruiter, when compared with any other Gooseberry in existence. The freest of all Gooseberries from mildew, both in leaf and fruit.

CAMPBELL'S EARLY GRAPE.

Early black grape, large handsome clusters, good quality. Berries hang well to stem. A fine shipper.

TAKE NOTICE.

We have an extra fine block of Snyder blackberry plants grown from root cuttings. They have strong fibrous roots with long tops and make excellent plants for fancy trade. Will quote special prices on application naming quantity wanted.

CERTIFICATE OF INSPECTION.

Every consignment from us will be accompanied by a Certificate from our proper State Authorities stating it is free from all contagious disease or diseases or the San Jose Scale or other dangerously injurious pest or pests.

TERMS AND PARTICULARS.

We grow the largest stock of grape vines in America and offer them graded to our own high standard.

Our vines are warranted true to name and of grades represented.

Should any stock not prove true to name, we will either refund the purchase money of same, or replace with stock true to name free, but will not be liable for further damages, and while we are exercising great care to avoid mixtures, the above is to be a condition on which all stock is delivered.

All packing will be done neatly and with strict regard to the interest of the customer. Should any error occur, claim must be made immediately upon receipt of goods by the customer.

After our stock leaves our care and control we will not be responsible for any damage to stock caused by heat or frost or any other cause whatsoever.

All orders are to be without liability to us should injury or misfortune befall the stock from hail, frost, fire or any other cause beyond our control. All stock journeys at the risk and expense of the purchaser.

Purchasers will please give shipping directions always. In case no such directions are sent with orders we will use our best judgment in the matter.

Terms Cash:—Bankable notes for 30 to 60 days will be accepted from customers of satisfactory record or bank reference. Fall accounts are due before Dec. 1st, and Spring accounts, June 1st, when we draw at sight for any amount due. Interest charged on all bills overdue.

All express or freight charges on goods or money must be paid by the customer. If goods are shipped C. O. D., at least one-fourth the amount of the bill must be sent with the order.

We will send to nurserymen or large planters samples of vines at 100 rates with 5 cents postage on three one year vines, and 10 cents postage on three two year vines. We cannot do justice in samples unless we send three of each kind and grade wanted.

We commence Fall packing about Oct. 1st. No charge for boxing or packing.

After we have booked orders for stock and have held it against all comers, we shall positively decline to cancel any part of such orders when it is to our disadvantage to do so.
